

Welcome To The Centre For Autism

This is how to find us!

**Earley Gate
Entrance**

RG6 6ES

The Earley Gate postcode (RG6 6ES) will take you to Campus entrance.

Please follow this road in, and continue straight over the mini roundabout.

Continue driving straight until you reach any of our car parks, these are after the mini roundabout.

We have three car parks: 21 (the first on the left), 26 (the next car park on the right), and 25 (the final car park on the left).

We recommend Car Park 25 because it is connected to the Psychology building entrance.

After you have parked, you will find the Psychology building entrance in the corner of Car Park 25.

This is the reception entrance, please come through to the waiting area inside. This is where a member of the CfA will meet you.

Whilst you wait, you can access toilets through the door pointed to by the yellow arrow. There is a disabled toilet on the left and female and male toilets on the right.

The lift is also accessible through this door.

This is another view of the entrance to the toilets and the lift.

This door is the entrance which will be used to access any upstairs room.

Top Tip:

Room names will tell you if you which floor you will be on. If it begins with 2 the room is upstairs and, if the name begins with a G you will be on the ground floor.

Rooms on the ground floor are accessed through this door.

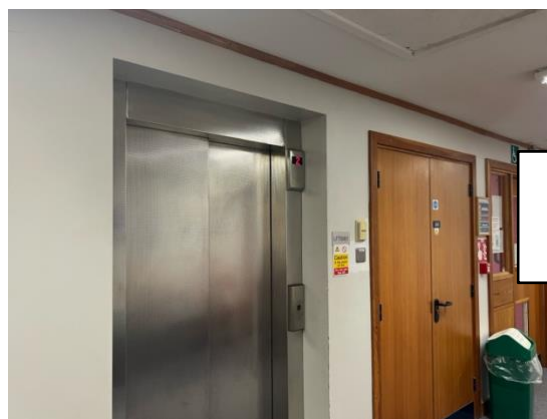

Someone will meet you in reception and bring you to a room, please let us know if you would prefer to use the lift.
