

Each month we will issue a newsletter to let you know what has been done and what is ongoing research. If you wish to put any stories in this newsletter, please send your suggestions or articles to me at [s.duval@reading.ac.uk](mailto:s.duval@reading.ac.uk) by the 25<sup>th</sup> of each month.

# WHITLEY RESEARCHERS NEWS

WR Whitley Researchers  
...supporting communities to find their answers...

APRIL | 2019 | MONTHLY

## BREAKING NEWS

This is our latest booklet available this was produced by Study Higher and the University of Reading as a result of our research and conclusions drawn in South Reading. This is also a summary of all our projects.

## UPCOMING EVENTS

**The Royal Geographical Society's Annual Conference: London. 27th — 30th August 2019:**

If you wish to attend this event with Sally (all expenses paid) could you please send Sally an email as soon as possible. Exact dates and times to be confirmed.

## RESEARCH UPDATES

We have three projects that will be starting in the next couple of weeks.

1. **Great Places** – We will be helping with the ageing well pilot.
2. **BBO evaluation process** – we need to establish a baseline of data, this need to be done by 14th June 2019.
3. Setting up our own cultural commissioning.

## FEATURE

This month we had a visit from Marion Oveson, Phd student from Sheffield, working in partnership with Sheffield University. She is a great supporter and also is very interested in what we do. She has interviewed some of our researchers for her work in Sheffield.

Hope you will visit us again soon Marion!

**TRAINING NEEDS:** Here are some websites to look at if you are interested in any training [bolc.co.uk](http://bolc.co.uk), [arden.ac.uk](http://arden.ac.uk) and [udemy.com](http://udemy.com). There is funding available for training costs. On [udemy.com](http://udemy.com) there is a course that is called Research Methodology.
