THESE ARE THE PEOPLE IN YOUR NEIGHBOUR- HOOD

Thursday 30th June
Friday 1st July
6:00 PM

MAMMALIAN DIVING REFLEX

In partnership with the Department of Art
at the University of Reading
and the Reading Year of Culture 2016

A group of eleven and twelve-year-olds from Maiden Erlegh School in Reading are going to school you about your 'hood'. They've done the research, analysed the data and made the connections; young people are the experts in These Are the People in Your Neighbourhood, a public walk and tour of local businesses in East Reading. For the mere cost of your time and leg power, you will learn about the hottest new place to grab a coffee, where to get a cool haircut and to buy the best veggies and, of course, whether the grocer prefers to wear stripes or solids.
